WORK EXPERIENCE

- GS Engineering & Construction Corporation — SEP 2023 - PRESENT
  Singapore
  SITE SUPERVISOR (REINFORCED CONCRETE)
  • Spearheaded management of Thomson-East Coast Line's contract T301, supervising the intricate construction of a combined Rail and Bus Depot alongside Reception Tunnels.
  • Orchestrated multidisciplinary teams to deliver exceptional quality projects within tight deadlines.
  • Enforced rigorous adherence to health and safety protocols, guaranteeing a hazard-free workplace.
  • Executed comprehensive site evaluations in partnership with LTA, QPS, and pivotal stakeholders.
  • Fostered collaborative relationships with architects and sector specialists to synchronize project goals.
  • Managed critical project documentation and maintained a constant on-site supervision to oversee development milestones.

- GS Engineering & Construction Corporation — MAY 2021 - SEP 2023
  Singapore
  SITE SUPERVISOR (PRECAST & SMOKE BARRIER)
  • Managed the LTA-T301 4in1 Mega Depot Project, ensuring timely and efficient execution.
  • Oversaw production and delivery of precast elements, maintaining strict quality control.
  • Coordinated the preparation of Bar Bending Schedules and supervised the installation of rebar and casting of precast components.
  • Conducted thorough verification of subcontractors' progress claims to ensure accuracy and compliance.
  • Diligently prepared and submitted RFIWs (Requests For Inspection Of Work) to uphold high standards of construction.

- GS Engineering & Construction Corporation — SEP 2019 - MAY 2021
  Singapore
  DOCUMENT CONTROLLER
  • Managed documentation for the LTA-T301 4-in-1 Mega Depot Project, ensuring accuracy and compliance.
  • Coordinated the procurement process for materials and machinery through timely purchase requests.
  • Oversaw the distribution of items, maintaining meticulous control over handovers.
  • Provided comprehensive support to engineers, facilitating both on-site and office operations.

- Geoharbour Middle East Construction LLC — APR 2018 - AUG 2019
  Cox’s Bazar, Bangladesh
  ASSISTANT SURVEYOR
  • Conducted precise surveying of bore pile locations utilizing GPRS technology at Matarbari coal-fired power plant, Cox's Bazaar, Bangladesh.
  • Managed and monitored team operations to ensure efficient workflow.
  • Delivered daily briefings to team members, aligning efforts with project objectives.

- Jao Fu Aluminium Works Pte Ltd — FEB 2016 - FEB 2017
  Singapore
  CRANE SIGNALER
  • Expertly executed glass panel installations at OUE Downtown.
  • Proficient in signaling for Tower, Mobile, and Lorry cranes.
  • Diligently monitored and ensured the quality of lifting gears and equipment.

- Hong Dat Engineering Pte Ltd — NOV 2014 - JUN 2015
  Singapore
  GENERAL EMPLOYEE
  • Spearheaded rebar installation and concrete casting for slabs and columns at Punggol HDB projects, showcasing precision and structural integrity.
