BUSINESS EXPERIENCE

Lendlease Development, UK

Development Manager, April 2023 onwards

Team leader responsible for all aspects of delivery of a Grade A 21-storey office building in Stratford

- Successfully led delivery and completion of the project in line with programme for the final year
- Brief development and execution of physical and digital product enhancements to support leasing
- Board member for SHIFT, a strategic innovation district led by the institutions and organisations on the Queen Elizabeth Olympic Park, including University College London, London Legacy Development Corporation, Loughborough University, London College of Fashion and others.

Lendlease Development, Australia

Development Manager, 2020 to 2023; Assistant Development Manager, 2017 to 2020

Development of an AUD$1.5b (£0.9b) mixed use precinct in partnership with two Joint Venture partners. Project includes Salesforce Tower which is Sydney's tallest office building. Responsible from initial planning application and approval through all stages of construction, leasing and into operation.

- Responsible for office leasing and key contact for tenants
  - Successfully leased approx. 45,000sqm (~485,000sqf) of lettable area across 15 tenants
  - Achieved project stretch target of 90% leased by project completion
- Development of an AUD$18m (£10m) civic building and artwork
  - International design competition and coordination of multi-disciplinary design team
  - Delivered building in line with budget and programme, creating a major new cultural destination
  - Created a strong relationship with the consent authority and occupier (City of Sydney Council)
- Execution of the placemaking strategy
  - Responsible for curating the public art strategy and leading consultant and delivery team
  - Lead for the delivery of a 3-floor climate technology hub in partnership with a VC firm
- Global market-leading product delivery
  - Secured Australia's first Platinum WiredScore rating, redesigned the end of trip facility to ensure a premium customer experience, formulated the flexible amenity and event space strategy
  - Fostered strong relationships with external Joint Venture partners
  - Winner of the Lendlease Global Employee Excellence Awards – Best Project (2022)
  - Individual finalist in the Lendlease Employee Excellence Awards – Young Achiever (2018)

Lendlease Development Australia

Property Development Graduate, 2015 to 2017

- Office Development, Barangaroo – Coordination of major tenant fitouts, analysis of financial proposals and development marketing material to support leasing of a 100,000sqm office tower.
- Residential Development, Communities – Execution of new business acquisition strategy including due diligence and feasibility analysis to purchase a 50ha parcel of land in a key growth corridor.
- Retail Development, Sunshine Plaza – £200m redevelopment of operating retail asset, including Lendlease's first successful business case for solar energy implementation on a retail project.

Lendlease Living Utilities

Research Analyst, 2014 to 2015

- Research and benchmarking to underpin the business case for decentralised utilities and support achievement of carbon neutral status for developments such as Barangaroo.
