- *Conducted extensive research* and compiled findings into a comprehensive research report, enhancing the project's scope and supporting informed decision-making.

ARC Engineering and Contracting **Sept 2022 - Sept 2023**

- *Developed comprehensive permit drawings*, and successfully negotiated and coordinated with local councils, ensuring regulatory compliance and permit attainment.

- *Stakeholder Management* between the company and partners in Dubai on a project maintaining smooth communication and controlling project documents to ensure accurate maintenance, distribution and alignment with all parties involved.
- *Document Management* through digitisation of physical records of the organisation to enhance knowledge sharing and accessibility across the teams.
- *Designed and developed architectural project proposals* tailoring designs to meet the clients needs resulting in met requirements of the project and customer satisfaction.
- *Conducted detailed research and assessments* to deliver a project that meets the guidelines and standards of the project location and tracking adherence to the legal standards.

Lebanese Handball Federation **Sep 2018- 2 weeks duration**

- *Served as the Coordinator* for the Japanese handball team during the Women's Western Asian Cup Under-21, ensuring seamless support and operations
- *Organised logistical arrangements* coordinating stadium assignments, scheduling, and transportation in line with the tournament schedule.
- *Managed the procurement and distribution* of supplies for the Japanese handball team, ensuring accurate delivery and maintaining detailed records of inventory and allocation, which were reported to the federation.

Relevant Skills

- **Leader and Team player:** Captain of the Handball varsity team in Lebanese American University, boosting moral of my team and ensuring my help is given when needed. Received a "most valuable player" (MVP) award in recognition of my hard work and motivation followed by a scholarship for my efforts.
  Goalkeeper of the first women's Lebanese handball national team.
  Goalkeeper of first division handball team.
- **Volunteer for an NGO "Beb w Shibek" for damage assessment:** Post Beirut blast on the 4th of August 2020, assessed and documented (through images and measurements) damage sustained in apartments in proximity of the blast and devised appropriate measures.
- **Volunteer for LAU fashion show in collaboration with Elie Saab:** Implemented quality control measures by supervising the accurate assembly of outfits in accordance with designers' specifications and ensuring the punctual and orderly presentation of models on the runway.
- **Knowledgeable in multiple programs:** As part of the bachelor's degree modules, I am trained in AutoCAD, Adobe Illustrator, Adobe Photoshop, 3D Max, Lumion, Rhino, Microsoft Office (Excel, Word and PowerPoint) and MS project.

Other Skills and Interests

- **Languages:** I am fluent in English, Arabic and Russian (that includes writing, reading and speech). French is a language, I can read and write but due to rare use, the speech is out of practice, but I can hold a conversation.
- **Gaming:** It is a hobby and specifically problem-solving skills such as puzzles that require teamwork and riddle solving, these games I am most passionate about.
