Max Preston

Site Engineer at BCEGI UK
Glazebury, England, United Kingdom

Summary

I am a motivated and driven Site Engineer with four years experience within the construction industry working predominantly on RC frames and External works. Further to completing site engineering works I have assisted the management team in site manager duties and helped get projects handed over.

Experience

BCEGI UK
5 years 11 months

Site Engineer
August 2022 - Present (1 year 9 months)
Eccles, England, United Kingdom

Trainee Site Engineer
February 2022 - July 2022 (6 months)
Manchester Area, United Kingdom

During my time at Middlewood Locks Phase 3, I completed site engineering works for the site set up and early ground works.

Trainee Site Engineer
July 2021 - February 2022 (8 months)
Wigan, England, United Kingdom

During my time at Wigan Galleries I was involved with the early survey works prior to demolition works starting.

Trainee Site Engineer
July 2021 - September 2021 (3 months)
Manchester Area, United Kingdom

During my time at Middlewood Locks phase 2 I took the Engineering lead on the externals package.

Trainee Site Engineer
June 2018 - July 2021 (3 years 2 months)
Liverpool, England, United Kingdom

I started the Lexington project working under the Senior Engineer. During my time at The Lexington I was heavily involved in all aspects of the projects Engineering requirements.
