Brendan Johnston FCIOB

Planning Director at McLaren Construction Group PLC
Greater Coventry Area

Summary

Planning Director responsible for leading a team of planners within the company to support the Regional Directors and their construction teams on time related issues ensuring the correct resources and highest standards in planning are achieved and maintained from pre-qualification through to final account.

Experience

McLaren Construction Group PLC
Planning Director
April 2015 - Present (8 years 11 months)

Employed by McLaren Group as Planning Director reporting to the main board on matters regarding planning. My role is to lead a team of planners within the company to support the Regional Directors and their construction teams on time related issues ensuring the correct resources and highest standards in planning are achieved and maintained from pre- qualification through to final account.

Costain
Head of Planning
October 2003 - March 2015 (11 years 6 months)

Responsible for managing a network of planners around the country in terms of ensuring the correct resources and highest standards in planning are achieved and maintained from pre- qualification through to final account.

Fitzpatrick
Planning Manager For Building Division
November 2001 - November 2003 (2 years 1 month)

Planning Manager for the building division responsible for a team of planners providing the planning services on a variety of contracts with a turnover of £100m. Projects included a new general hospital in Gibraltar, the new press facility for the Trinity Mirror Group in Birmingham, new Royal Mail Sorting Centre in Bromley by Bow and a new rail maintenance facility in Southampton.

Trett Consulting

Senior Planning Consultant

November 2000 - November 2001 (1 year 1 month)

Providing services to the construction industry and legal profession.
Responsible for contractual claims and investigation into causes and effects of delay, disruption,
acceleration and justification for extension of time on major
contracts around the UK.

Norwest Holst Construction

8 years 11 months

Regional Planning Manager

January 1995 - November 2000 (5 years 11 months)

Held responsibility for the planning function on a number of
contracts with a team of three planners for the Midlands Region

Tender Planner

January 1992 - January 1995 (3 years 1 month)

Prior to relocating to the Midlands, I worked within the Building
Estimating department in Liverpool as Tender Planner on the
production of tender programmes,method statements with associated
temporary works and preliminaries costs.

Higgs & Hill (midlands) Ltd

Management Trainee & Then Contract Planner

January 1985 - January 1992 (7 years 1 month)

I commenced my career at Higgs and Hill as a management trainee with secondments to various disciplines on various projects before choosing my career in planning.
