Daniel Wiscombe

Managing Director @ Enable Infrastructure | MBA
Haywards Heath, England, United Kingdom

Summary

As the Managing Director at Enable Infrastructure, a leading provider of engineering and construction solutions, I oversee the delivery of complex and innovative projects across various sectors. With an MBA from Kingston University and over 30 years of work experience, I have developed a strong expertise in commercial management, value engineering, and team leadership. I have successfully secured and executed multiple contracts with clients, partners, and stakeholders, ensuring high-quality standards, timely completion, and optimal value for money. I am passionate about creating and enabling infrastructure that meets the needs and expectations of the communities and the environment. I am also committed to fostering a collaborative and inclusive culture within my team and organization, where everyone can contribute, learn, and grow.
