PERSONAL SUMMARY

EMPLOYMENT

Customer success specialist, Credion, Netherlands 2024 – present

- Creating the ideal customer journey on the platform
- Analysing applications for clients to help them to get the best financial advice.
- Advising clients to get funded for a mortgage, line of credit, loan or lease.
- Negotiating with our partners to get the best interest rate for our clients.
- Brainstorming with our financial advisors to come up with the best solution for our clients

Account Manager, Swishfund, Amsterdam, Netherlands 2022 – 2024

- I managed accounts from 40k to 500k, starting from the application to when the loans are finished and successfully repaid.
- Analysing the revenue stream of the clients
- Negotiating with stakeholders, investors, prospective clients to get the best interest rate

Project Manager, Aleksandar Projects, Sydney, Australia 2020 – 2022

- I successfully managed 2 residential real estate projects from inception to completion, consistently exceeding goals and deadlines.
- Collaborated with property owners, investors, architects, and contractors among other stakeholders to define project scope, objectives, and budgets up to 13.5 million dollars , ensuring alignment with company objectives.
- Developed strong data analysis skills, virtual and in-person presentation skills, budget management competency, and Account Management skills.

Performance Tennis Coach, White City Tennis Club, Sydney, Australia 2017 - 2020

- I moved to Sydney in 2017 as a performance tennis coach, working with the region's elite juniors and club players.
- My priority was to coach players to a professional level working closely with Tennis Australia.
- I coached one player into the Australian National setup working with them closely.
- I helped three more players gain full Tennis scholarships to the US.

Head Performance Coach, Athletic Kings, Bahrain, Middle East, 2016 - 2017

- I was headhunted to work with Bahrain's leading tennis player at the time.
- Through our work together I helped him achieve his first ATP (professional) points on the tour.
- I established a performance coaching plan for Tennis Bahrain to aid in developing professional players long term.

Business Development and Events Executive, T.E.D.S Foundation, Florida, USA, 2013 - 2016

- My focus was running charity-sponsored tennis events with ex-pro/college US tennis with private donors.

- My role entailed Marketing for the event, Business Development to ensure sponsorship deals and player attendance, and running the event with my team of 10 organisers with stewards, umpires, and bar staff in addition.
- I exceeded the target of raising $300K USD each calendar year in charitable donations by running 4 events a year.

EDUCATION

Project Management APC*, The Australian Pacific College*
- Focus on Project Scope/logistics, Critical analysis, Stakeholder Management, Budget control,

Sports Business & Coaching - *CIOS*
- Focus on Sponsorship, Marketing, Partnerships, Psychology of coaching, Biomechanics Tennis and Mindset.

PERSONAL SUMMARY AND INTERESTS

I am a sociable person and have lived and worked abroad for the past decade since leaving Amsterdam. I have had many incredible and global experiences in this time and excel at working with people from all cultures and backgrounds having lived in the USA, the Middle East and Australia, and travelling significantly during this time.

I run marathons and play padel, tennis in my spare time and am generally a very active and outgoing person.

I speak English and Dutch fluently and German proficiently.
