Rubén Bello

Cost Controller | SAP FI Consultant | Financial Accounting & Reporting
Barcelona, Catalonia, Spain

Summary

Finance professional with 7+ years of experience in auditing, accounting, financial controlling, and SAP FI consulting. My career path across different industries (audit, IT distribution, pharma, and services) has given me a comprehensive view of business operations, enabling me to optimize processes and support strategic decision-making.

Skilled in SAP FI (GL, AP, AR, Assets, Banking), financial reporting, budget control, revenue recognition, and variance analysis, with hands-on experience integrating FI with CO, MM, and SD. Certified in SAP S/4HANA FI at Tokio School.

I bring a strong analytical mindset, adaptability, and the ability to bridge finance and technology, delivering value in both operational excellence and digital transformation projects.
